

SAM ITALIA – Chapter 62, in cooperation with the Associazione VOLO DELTA “2000” – VALLE GAFFARO, organizes on Sunday – 10th October 2010 – on the Valle Gaffaro flying field – Codigoro (Fe) in Vecchia Corriera Street , a non competitive meeting – named “SAM MODEL DAY “ - in which all Old Timer and Vintage models may take part.

Relatively to the Vintage models all models built and designed in the years 1960 – 1970 – 1980, including self made models, U-Control and old aerobatic models such as the Taurus, Orion, Super Kaos, Komet, Kosmo 3, Galaxi,for example, may take part.

Furthermore you may participate in the show-exchange. The organizers will give you at no charge a table on which you may put aeromodelling materials on show.

As said before it is a non competitive meeting, where all those interested in traditionally built models may participate. At the end of the meeting the most interesting models will receive a special Sam Model Day prize.

I wish to further remind you there is no entry fee.

All participants will receive a gadget souvenir.
